OFFICE MEMORANDUM

Subject: Consultation with Department of Public Enterprises

The undersigned is directed to say that Second Schedule to the Government of India (Allocation of Business) Rules, 1961 was amended to allocate to Department of Public Enterprises (DPE) the mandate for categorization of Central Public Sector Enterprises (CPSEs) into various Schedules. DPE is also the nodal Department in respect of general policy pertaining to CPSEs as also monitoring the performance of PSEs and therefore has an important role in maintaining uniformity and adherence to government policies and guidelines in respect of CPSEs. In the light thereof, consultation with DPE, at the initial stage itself, when a new CPSE is taken up for creation, is considered necessary in order to ensure uniformity in structure and other policies of the proposed new CPSE in accordance with government guidelines.

2. Therefore, the sponsoring Ministries/Departments are advised to invariably consult the Department of Public Enterprises before finalization of a proposal for creation of a new CPSE so that the organizational structure particularly at the Board level, proposed wage structure, personnel and other related matters are in conformity with government policy and guidelines.
3. The above instructions may be noted for compliance.
