OFFICE MEMORANDUM

Subject: Updating status of Cabinet/ CCEA decisions on eSamikSha portal

Reference is invited to Cabinet Secretary's D.O. letters No.1/50/3/2014-Cab. dated 27.10.2015 and No. 1/12/1/2014-Cab. dated 31.08.2018, requesting all Ministries/ Departments to update action taken to implement decisions of the Cabinet/CCEA regularly, preferably every Friday, on eSamikSha on a weekly basis (copies enclosed).

2. It has been observed that some of the Ministries/Departments are still not uploading the status of implementation online regularly, and continue to send updates/Action Taken Reports (ATR) through offline/paper mode. Since implementation of Cabinet/CCEA decisions is now tracked on eSamikSha, this is hampering effective monitoring.

3. Further, analysis by this office reveals that Cabinet decisions relating to Legislative proposals and MoUs/Agreements/Conventions with foreign Governments account for major share of ATRs that are not up-to-date. In particular, status of several Bills approved by the Cabinet has not been updated on eSamikSha, even though they already stand enacted as Law, after being passed by the Parliament.

4. It is requested that the ATRs in respect of Cabinet/CCEA decisions be updated regularly on eSamikSha portal. **The practice of sending offline progress reports or updates to this office may be discontinued. In case of bulky/ voluminous supporting documents, summary of ATR may be uploaded on eSamikSha, and supporting documents may be sent to this office separately.**
