CABINET SECRETARY
GOVERNMENT OF INDIA

No.1/12/1/2014-Cab.

Dated: 31st August, 2018.

Dear Secretary,

As you are aware, implementation of Cabinet/CCEA decisions is monitored on the online system eSamikSha (<http://esamiksha.gov.in>). As per the extant instructions (copy enclosed), Ministries/ Departments are required to update the status of implementation on a weekly basis.

2. It has been observed that in several cases Ministries/ Departments have not uploaded any "Action Taken Report" (ATR), and even where action taken has been reported, updating is often irregular. Besides, the ATRs are often incomplete, and point-wise information on Cabinet decisions is not provided.

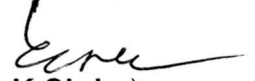

3. You are requested to please ensure that status of Cabinet/CCEA decisions is uploaded and updated on a weekly basis on eSamikSha portal in a comprehensive manner so that this online monitoring mechanism is optimally utilized.

With regards,

Encl: as above

All Secretaries to the Government of India

Yours sincerely,

(P K Sinha)
